

Dear Parent/Guardian,

The Fourth Grade recorder unit will begin in October. Every fourth grade student will be issued a school owned recorder and method book. Both recorder and book will be collected at the end of the year. However, if you prefer your child to own a recorder and book I have those items available for purchase. Please print and use this order form.

Choose and check one of the options below and have your child turn in the form and money to Mr. Mainero at their next music class. Cash and checks payable to Pine Ridge will be accepted.

These materials may also be ordered on line at www.musick8.com.

Thanks,

Mark Mainero
